

Distracted Driving

Course for Teen Drivers

Distracted driving is a serious, life-threatening practice and we will not rest until we stop it. We are supporting the effort but you are the key to preventing distracted driving. The message is simple – Put it down!

The Texas Municipal Police Association has teamed up with the Texas Department of Transportation to present Distracted Driving for Teens. This presentation is available to your organization at no cost. Please join us as we make an effort to save the lives of our teens.

In order to truly combat the problem...we must change attitudes!
